

JUNE 28, 2011

8:00 AM — 5:00 PM

PHLEBOTOMY TRAINING COURSE

This one day training session prepares the individual to draw blood specimens from patients for the purpose of testing and analyzing blood by providing practical experiences in specimen collection at a health care facility.

This training session will be held at 1115 S. Braeswood in the 1st floor Auditorium (Braeswood Media Room).

To register for this class, or if you have any questions please contact Hyron Hall.
